WEST HADDLESEY PARISH MEETING - HELD IN CHAPEL HADDLESEY CHURCH HALL
ON THE 8th JUNE 1995 at 7-30 P.M. A.M.

A.B.B.

The canal corridor was discussed at length mainly by one of the residents who objected to the things which were discussed at the canal corridor meeting held on the 7.2.1995. this matter will be left open until further information is available.

With regard to lighting outside West Field Farm this matter is still being looked into.

Complaints for footpath and grass verges due to water board works. We checked with Yorkshire Water on the 9.6.95. due to contractors going into liquidation new contractors will be employed hopefully within the next 2 weeks. With regard to the condition of the village overall the inspector considered there were no immediate dangers to the public. Yorkshire water will make good all verges footpaths and road to parish satisfaction.

Best kept village. No point while water mains work is completed.

The committee through the Clerk proposed a vote of thanks for Ruth Richardsons previous 2 years work.

There was no other business and the meeting closed at 8-10 p.m.
